#### Purpose and aims of statutory measure and the relation thereof to objectives of the Act

2. The aim and objectives of this statutory measure are to compel any person directly and indirectly involved in receiving maize, wheat, soybeans and sunflower seed directly from a farm of a producer on his premises (e.g. end-consumers, storers, exporters, processors, including any person, e.g. a producer, trader, transporter, agent, etc. who acts in the capacity of the aforementioned persons) of maize, wheat, soybeans and sunflower seed to keep records and submit returns to SAGIS. The statutory measure is deemed necessary in order to ensure that accurate producer deliveries information in respect of maize, wheat, soybeans and sunflower seed is made available more frequently to all role-players and decision makers in the grain industry.

This statutory measure is deemed necessary to:

- Obtain complete and reliable information; and
- Assist the more efficient and effective planning, risk management and marketing of maize, wheat, soybeans and sunflower seed for food security.

SAGIS was specifically established for the purpose of handling information gathering, processing and dissemination on behalf of the various cereal and oil seed industries in South Africa. This statutory measure will be administered by SAGIS but as a task separate to its main task of monthly national marketing information and will be made available to the marked unverified.

SAGIS publishes macro grain and oilseeds producer delivery information on a regular basis for the grain industry and other interested parties. This information is obtained and furnished from the

returns submitted to SAGIS. The information gathered by SAGIS by means of records and returns is available free of cost on SAGIS's website. This allows interested parties access whenever they need the information.
